

QUICK SETUP GUIDE

Welcome to our Quick Setup Guide. In this document we explain step by step how you can use our copy trading strategy service.

Step 1 - Create an account

To create an account on the platform where we offer our service as a trader. You can use the following link to connect.

Step 2 - Deposit money into your account

Once you have created an account, you will need to fund your account with USDT. You can do this by sending USDT to your wallet, or you can buy them directly on the platform. There is no minimum investment required to follow our copy trading service.

Step 3 - Follow our Copy Trading Service

Follow the link below to use our copy trading service, just click on 'INVEST'. We charge a 30% success fee for using our services (everything is fully automated). You pay no fee if no profit is made.
